Headteacher's Weekly Message

Dear parents and carers, the weather looks like it has finally improved, which is wonderful. It is a very important week for our year 6 children next week with SATs taking place. Whilst these exams do not define our children they are a necessity. They have all been working exceptionally hard and will understandably be nervous next week. We as a community will hold them in our prayers that they perform as well as they can do. We are incredibly proud of each and everyone of them. I am also incredibly proud of the whole school community as our London mini marathon raised so far £2,743.39 for Starlight children's charity and the London Air Ambulance charity. This is an amazing amount! I hope you all have a lovely weekend. Mr Hilton

Mini Marathon Sponsor

The children enjoyed taking part in the Mini Marathon last Friday and we have had a fantastic response by the sponsors. So far, we have received £2,743.39, and it's still coming in.

We will announce the pupils who brought in the most sponsorship money. They will receive a prize from the school. A very big thank you to all who took part both in the Mini Marathon and who sponsored for the chosen charities.

KS2 SATs WEEK

Good luck to all our Yr6 children who are sitting their KS2 SATs next week. Parent/Carers please make sure they go to bed early, eat a good breakfast every day, arrive on time and do their best. Please also make sure that your child has no outside appointments, scheduled for next week.

The Ascension of the Lord

Ascension Thursday falls 40 days after Easter and celebrates Jesus going up to heaven after his Resurrection, to be at the right-hand of God.

Go, make disciples of all the nations;
I am with you always; yes, to the end of time.

Matthew 28:19.20

He was taken up into heaven: there at the right hand of God he took his place.

Mark 16: 19

Dear Parent/Guardian,

My name is Tracey Green and I would like to take this time to introduce myself to you as St Anne's Primary School Pastoral Lead.

It is my pleasure to work with everyone here to provide support, advice and information to children and their families within our school community. I am here to help you with any worries that you may have in relation to your child's behaviour and wellbeing. I am also here as someone to talk to if you need to! Advice and support is confidential although concerns relating to the safeguarding of children will always be dealt with in accordance with the school's Safeguarding and Child Protection Policy. I may not have all the answers, but I am willing to work with you to find them!

- I will be supporting your children with:
 - promoting good attendance and punctuality
 - self-esteem and confidence
 - positive behaviour and positive attitudes to learning.

I will also be offering support to families including

- providing information and signposting to other services in the local area
- liaising with a range of external services such as housing and Social Care
- assistance in completing paperwork and forms e.g. housing, school places and benefits
- attendance and support at school and other agency meetings
- advice and support in promoting positive behaviour at home

Lastly, If you have any queries, please feel free to come and have a chat. I will be in the playground every morning.

I look forward to meeting you all.

Tracey Green
