### Jesus calls us all to follow him.

Gospel: Luke 5:1-11

Jesus tells the disciples that they will become fishers of people. The disciples leave everything behind to follow Jesus. From now on they will spend their time with him, sharing his message with other people.

*Loving God, may we try our best to follow your Son and to serve you faithfully each day, in what we do and how we treat others, especially our brothers and sisters who are in need. Amen*

### St Valentine's

**Celebrated on 14<sup>th</sup> February** Every February we celebrate St. Valentine's Day by giving flowers, chocolates and cards to those we love. We do this in honour of Saint Valentine. Legend has it that Valentine was a priest who served during third century Rome. There was an Emperor at that time by the name of Claudius II. Emperor Claudius II decided that single men made better soldiers than those who were married. With this thought in mind he outlawed marriage for young men in hopes of building a stronger military base. Supposedly, Valentine, decided this decree just wasn't fair and chose to marry young couples secretly. When Emperor Claudius II found out about Valentine's actions he had him put to death.

**Due to a recent incident of peanuts given for a after school snack.**
