

FOSA NEWS

The termly Newsletter created by Fosa

WELCOME!

Welcome to our first edition of FOSA News

We will be creating a newsletter termly to update you all on past events and how much we have raised and future events that you can all look forward to.

Since starting a fresh new FOSA group in 2023 we have had many fundraisers including Movie nights, Bake sales and our Summer and Christmas Fairs plus other Fun events during school Like poetry competitions & Art projects.

Throughout the year FOSA raise money to help the school fund things that cannot be covered by the school budget.

Fosa have raised money to provide fun activities for the children such as the Panto at Christmas, special Authors visiting during world book day, The wonderful basket statue in the playground created by the children.

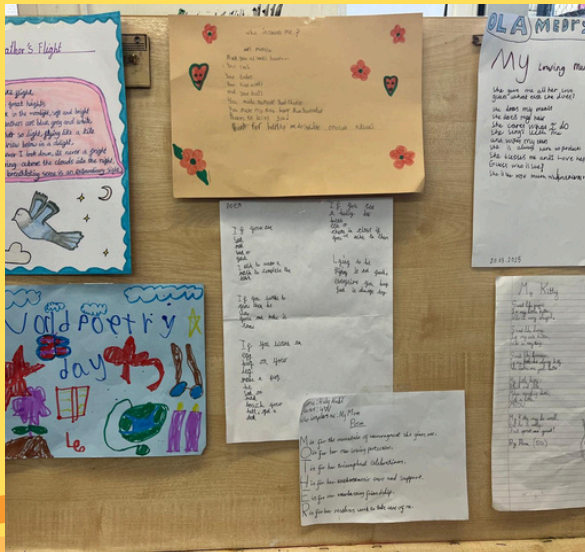

FOSA have also provided Astro turf in the Playgrounds so they are able to sit on the “Grass” during playtime all year round.

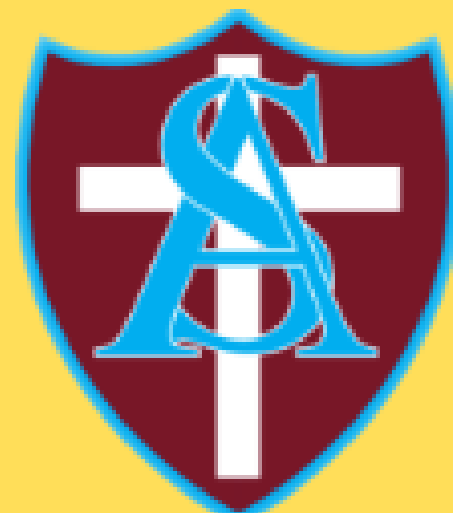

New decking has also been provided in the early years playground in the mud kitchen which after a few years got damaged with the rain.

We aim this year to improve our Garden and get it Green and in full use!

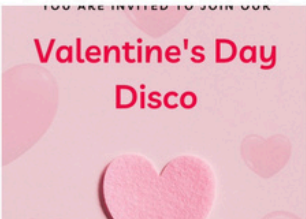

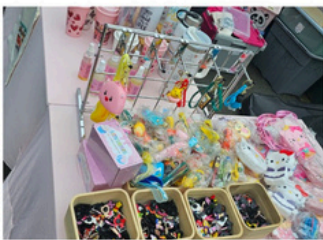

NONE of this has been possible without the help and support of the Parent and Carers of St Anne's we understand times are hard and we appreciate all of your help and we THANK YOU!

If you think you can spare some time and join our wonderful team please contact the school office or speak to Nicola (she's very friendly) for more info
