End of Term Newsletter – July 2025

Dear Parents and Carers,

As we come to the end of another successful and enriching school year, we want to take a moment to reflect on the many highlights that have made this term so special for our children, staff, and the wider school community.

Educational Visits – Learning Beyond the Classroom

This term, our children have benefited from a wide variety of exciting educational visits, which have brought learning to life and created lasting memories. From trips to museums, historical sites, and theatres, to outdoor learning experiences that foster teamwork and curiosity, each visit has deepened our students' understanding and enthusiasm for the curriculum. Some examples have been the Science museum, Roots and shoots and St George's Cathedral

Living Out Our Catholic Mission

We are proud of our continued partnership and engagement with the Diocese, which has been a strong and guiding presence throughout the year. Through collective worship, liturgies, charitable work, and spiritual reflection, we have continued to nurture the Catholic life of our school in meaningful and joyful ways. Our school community remains committed to living out Gospel values in all we do. Our latest visit to St. Peter's and the visit to Aylesford Priory to celebrate with hundreds of other children in the Year of Jubilee.

Pupil Leadership – Children at the Heart of Our Community

Our children continue to inspire us through their leadership, compassion, and commitment. The Mini Vinnies, Spiritual Leaders and other ambassador groups have played a vital role in shaping our school community. Their passion for service, inclusion, and faith has made a tangible difference and reminded us all of the power of young voices and kind hearts.

Inclusion Quality Mark (IQM)

We were delighted to welcome visitors as part of our ongoing work with the Inclusion Quality Mark. Their feedback was overwhelmingly positive, recognising the inclusive ethos, high expectations, and strong sense of belonging that permeates our school. We are proud to continue holding IQM status, reflecting our belief that 'every child matters' and thrives in our care.

Strong Educational Standards Maintained

We are pleased to share that our educational outcomes and progress measures have remained strong again this year. Despite national challenges, our staff and pupils have worked incredibly hard to maintain the high standards we are known for. This is a testament to the resilience, dedication, and partnership that underpin our school's success.

Parent / community involvement

We have held many events over the last 12 months, but by far some of the most popular was the making bath salts recently for wellbeing, FOSA Summer Fair and the newly added Yr6 Graduation.

A Heartfelt Thank You

None of this would be possible without the unwavering commitment of our teachers, support staff, and wider team. Their hard work, compassion, and professionalism make a daily difference in the lives of our children. We are incredibly grateful for all they do to ensure every child feels safe, loved, and challenged to be their very best.

As we look ahead to a restful summer and the promise of a new academic year, we thank you once again for your support and partnership. We wish all our families a joyful and refreshing break.

With every blessing,

Peter Hilton

Headteacher

STOP PRESS

We will be running extra afterschool clubs from September, Martial Arts, Guitar, Chess and a Railway club as well as our clubs run by Coach Cameron.

The term dates for the year September 2025 – August 2026 are available on our website should you need to check or book any holidays.
