Headteacher's Weekly Message

Dear parents and carers, we have had a lovely week at school. The children had a special visitor in school, Mr Leonard who spoke all about the Judaism religion. They learned all about the special festivals, food and clothing, the next day, Year 3 visited the synagogue on an educational visit. Year 1 saw the wonderful 'travelling crib' at Lambeth Palace and year 5 went to Leicester Square to see Kensuke's Kingdom. It is very important as a school that we support the children's learning with these educational visits and let them experience so many different opportunities that are available in our local area. Next week, we have Kooth visiting on Thursday for workshops in Yr6 and the FOSA organized Film Night. Have a great weekend. Mr Hilton

Well done

Please note that all attendance and awards are for the previous week

Thank you to Miss Green for successfully running the Anti Bullying week. The children were given helpful information in class and were especially proud of wearing their odd socks. Why don't you ask them why they were wearing them?

Secondary School

If your child has been asked to attend a secondary school for a test, please inform the office not only of their absence but if they will be returning for lunch as they will automatically be marked as **NO** lunch.

Other Faiths Week

The children enjoyed learning about the Judaism this week and how they celebrate their religion. We had a visit from a speaker from the United Synagogues who brought artifacts and talked about the Judaism way of life. Some of the children have visited a Synagogue in North London. Thank you, Miss Denys, for organising such an eventful week. All photos are on display on our Instagram Site.

ATTENDANCE

After looking through the school registers we are pleased with the overall attendance

For the few children who regularly arrive after 9am, we would like to remind all of parents how disruptive it is for all the children in the class if any child arrives late, the teacher has to go through the start of the lesson again.

Try leaving 10 minutes earlier, then your child could arrive on time and have a good start to the day with all his/her friends. 10 minutes late every day is a total of losing nearly 1 hour of teaching a week

NEXT WEEK

Mon disability history month Assembly
Wed FOSA Film Night
Thur Yr6 online Kooth Session
Yr3 Swimming
Yr4 Oval

As the weather seems to have turned, could we remind parents that all children have warm coats etc., please remember to add their name to all items. Our lost property box is full of unnamed warm jackets that may belong to your child.
