Headteacher's Weekly Message

Dear parents/carers, Happy New Year and welcome back! I hope that you had a lovely festive break and were able to get some well-deserved rest and spend some quality time with your family and friends. On behalf of the staff, I'd like to take the opportunity to thank you all for your kindness and generosity. On Tuesday we began our new year/term with Mass in Church for The Solemnity of Epiphany led by Father Douglas. We are planning a number of events this term, so please keep a look out on our website calendar for all up and coming information. Have a good weekend. Mr Peter Hilton.

Baptism of the Lord

God reminds everyone that Jesus is his son, and that Jesus is doing God's work on earth. Water is very important in baptism. It is used to show that we are starting a new life with God. When you were baptised, the priest put holy water on your head and welcomed you into God's family. On Sunday we hear about how Jesus is baptised by John in the waters of the river Jordan. Water is a very important part of baptism, but it is also important in our lives for other reasons. We all need water to live.

Please note that all attendance and awards are for the previous week, before the Christmas Holidays

As you can see from above, the attendance for the end of December was very low for some classes.

Let's hope this year keeps us all healthier so our attendance increases.

We would like to remind our families of the importance of ensuring your children's safety whilst online. If your children have received new technology devices over Christmas, please closely monitor their use and be aware of the following guidance in keeping children safe online.

Please set up new devices with parental controls that allow you to block and filter upsetting or inappropriate content.

Please remember to return your Advent Crib Collection Boxes (see below) before the end of next Friday 16th January. We will let you know the total collected once the boxes are all in.

During Advent, it is important that one of the ways we prepare for the coming of Jesus is by serving others. Many children will not have enough food to eat at Christmas time or a warm bed to sleep in. The needs of the poor and vulnerable people should be put first. You can put your faith into action by donating money to the Crib collection who will help these children and their families.
