## Headteacher's Weekly Message

Dear parent/carers, the weather has not been kind to us this week so the children have had to make the most of any dry spells we get to go onto the playground. Yr2 enjoyed their Library visit this week and the Black Curriculum Springboard workshop for Yr6 was a great success, they will be back next week to work with Yr5. All the booked events for classes are added to the website calendar. Lets hope the bright days continue. have a good weekend. Mr Peter Hilton.

Please note that all attendance and awards are for the previous week

## BIRTHDAY TREATS REMINDER

We no longer allow any treats to be sent into school to be distributed on children's birthdays. We are proud of our Healthy School status and cannot progress to a higher Healthy Schools status award if we are allowing sugary treats to be handed out inside or outside the school.

**Please do not send in treats to share.**

All children should come to school in the correct school uniform (PE Kit on PE Days) with their name clearly marked on all items so if left around the school they can be returned to their rightful owner. Please carefully read the School Uniform Policy on our website before purchasing clothing, shoes, trainers and any jewelry/earrings so there is no offence when asked to change or remove.

## Holidays During Term Time

This week we had our termly visit from Lambeth's Educational Welfare Officer. We have been asked to remind you that taking any holidays during term time (school days) parents will automatically receive a fixed penalty fine (£160) these will be issued to both parents (£320) and this will apply to each child in the family who will be absent.

We need to also remind you that all absences from school including appointments, sickness etc are recorded as unauthorised sessions. Please be mindful of unnecessary absence that increases your child's percentage of time missed from school.

## All year group curriculum maps are on our website.

Check your child's year group to see what they will be learning this half term.

The curriculum maps show focus & themes for all subjects

Look under: **Curriculum, Our Curriculum, Spring Term 1 2026**

Please note that all attendance and awards are for the previous week

Keep a look out for a link on our website for the Art Competition for The Fourth Plinth School Award. Children can send in a design that could be chosen as a new sculpture in Trafalgar Square. All details will be featured in a linked promotion via our Latest News on our Website.

Check-out our scrumptious desert menu below for Pancake Day, a little early as the school is closed for the half term holidays.

This year Shrove Tuesday (Pancake Day) falls in the school holidays on the 18<sup>th</sup> February.
