*Jesus tells us in Sunday's Gospel reading that if we do what is right and good, others will see that we believe and will praise God. We can be an example for others, like a light shining to show the way.*

*God of joy, may we share your light with our sisters and brothers we can work together to build a brighter, fairer future for all people. Amen.*

## We can only give medication in school to your child if prescribed by a doctor.

This will include antibiotics, pain killers, eye/ear drops, antihistamines, creams etc. All medication should be brought to the office where you can sign to give permission for a member of staff to administer. Children should **NOT** be bringing in any other items into school as we have children with severe allergies on roll, contents could be transferred accidentally to these pupils (see school Medication Policy on our Website or speak to a member of staff).

## Safer Internet Day

Children will learn different tools on how to keep safe when using their electronic devices. Understanding clear boundaries set by their parents, checking before opening apps etc.

## St Valentine's Celebrated on 14<sup>th</sup> February

Every February we celebrate St. Valentine's Day by giving flowers, chocolates and cards to those we love. We do this in honor of Saint Valentine. Legend has it that Valentine was a priest who served during third century Rome. There was an Emperor at that time by the name of Claudius II. Emperor Claudius II decided that single men made better soldiers than those who were married. With this thought in mind, he outlawed marriage for young men in hopes of building a stronger military base. Supposedly, Valentine, decided this decree just wasn't fair and chose to marry young couples secretly. When Emperor Claudius II found out about Valentine's actions, he had him put to death.

Due to the recently unsettled wet weather we are having, please remember to send your child into school with a raincoat. Some of the children are arriving with no raincoats and if there is a sudden down pour during playtime they could get caught out. Thank you.
