

OUR WORLD BOOK DAY

World Book Day is a registered charity company and trademark.

St Anne's are lucky to host author-illustrator **Chloe Savage** who will be working with children throughout the day! Some of her books, including *'The search for our cosmic neighbours'* will be available to purchase, more information to follow!

Check out her website at: <https://chloesavage.co.uk/home>

Please remember to get children to dress up on the day as their **favourite book character** or in their **comfy bedtime story pajamas!**
