Headteacher: Mr Peter Hilton NPQEL, NPQH, MAEd

Dear Parents and Carers,

**Re: Opening of Our New Art and Science Room**

We are delighted to invite you to the official opening of our new **Art and Science Room** on **Tuesday 10th March at 9.30am**.

This exciting new space has been carefully designed to inspire creativity, curiosity and discovery. It will provide our children with enhanced opportunities to explore the arts, develop practical scientific skills, and deepen their understanding through hands-on learning experiences.

Following the opening, you will be warmly welcomed to tour the new facilities and see first-hand the specialist resources and equipment that will enrich your child's learning. There will also be an opportunity to speak with staff and ask any questions about how this new space will support our curriculum.

Light refreshments will be available in the School Hall when gate closes, and we hope you will be able to join us in celebrating this important development for our school community.

We very much look forward to sharing this special occasion with you.

Yours faithfully,

**Peter Hilton Executive Headteacher**
