## Headteacher's Weekly Message

Dear Parents/Carers, we hope you will accept our invitation to come along on Tuesday and join in the opening of our new Technology Classroom situated next to our Library in the 1932 Block. We are all excited and the children can't wait to attend a lesson in Science, Art or Design & Technology etc. Our living eggs will also be delivered next week which always creates excitement in the area outside the Music room where are kept. We also have our CAFOD Lent Walk and a Math's workshop for KS2 parents. Such a lot of events to get through in a week. Hopefully we all have a restful weekend. Mr Hilton.

*In Sunday's Gospel, we hear how Jesus was talking to a Samaritan woman at a well. This story reminds us that God loves all people no matter where they are from. God asks us to be like Jesus and to respect and care for all people no matter who they are.*

*Caring God, fill our hearts with love for all your people. Move us to treat all people with kindness and respect and to work to make the world a better place for everyone to live in. Amen.*

## Living Eggs

On Monday the Living Eggs will be delivered with the incubator to the school. They will be on show where the children can watch how they progress through to the hatching stage where once they have settled the children will be taken to visit in groups.

During Lent, Christians are called to a 40-day season of repentance, prayer, fasting and almsgiving to prepare for Easter. This Lent, our almsgiving focuses on raising money for CAFOD - helping communities around the world fighting poverty and to raise money for water projects. We will be taking part in The Big Lent Walk on the week beginning 23<sup>rd</sup> March. All the children will be participating in a sponsored walk to raise money. Your child has already brought their sponsor forms home and we ask you to support them in getting family and friends to sponsor them so as a Christian community we can help those who are vulnerable and in need around the world.
