Religious Education

Our Theme/Topic

Dialogue and encounter

This topic will help children learn about some elements of Christianity as a global religion and encounter different religions worldwide. Children will develop skills to express personal opinions about areas of learning, listen to and show empathy for the ideas and opinions of others, and show respect for religious objects, actions and words.

Our Learning Intentions

Children will be able to:

- **Name some of Jesus` disciples**
- **Talk about the life of Peter**
- **Talk about people from their parish**
- **Start to understand the story of creation**
- **Say how other religions celebrate**
- **Say prayers**
