Dear Peter

**Inspection of St Anne's Catholic Primary School by the Catholic Schools
Inspectorate on behalf of the Archbishop of Southwark**

8-9 July 2026

Please find attached the CSI report following your recent inspection.

It was a pleasure to read and to see the many strengths recognised by the inspection team. I was particularly struck by the comment that "Pupils are at the heart of all the school strives to do." This is a powerful reflection of the school's commitment to ensuring that pupils are valued, nurtured and supported to flourish within its Catholic community. The inspectors also recognised that "Inspirational leadership has helped the school to thrive, with all embracing a clear and focussed vision." This speaks highly of the shared sense of purpose across the school and the commitment of leaders, staff and governors to its continued development.

A copy of this full report must be made available to all registered parents within five working days of receipt. It will also be available electronically on the diocesan and the Catholic Education Service websites.

A copy of the report has been sent to the Chair of Governors, the Episcopal Vicar for Education and the Director for Education.

Please complete the post-inspection survey by following this link <https://forms.office.com/e/Ug5DApvGvD>. I would very much appreciate your considered response as it will help to improve our service to the Archbishop.

I would like to take this opportunity to thank you for your support and assistance in the inspection process. Thank you for everything you do to provide Catholic education in your community.

With every good wish.

Yours sincerely
