Headteacher's Weekly Message

Dear Parents and Carers, we have had an extremely positive start to the new academic year. The children have come into school and settled very quickly into their new classes. It has also been lovely chatting to so many of you at the gates. Our SENCO, Ms Da Silva, she is happy for parents to see her if they have any queries or concerns about their child in this area. Over the coming weeks you will see there will be many opportunities for the children to visit places of interest or have speakers in school. It is important we provide the children with these wonderful learning opportunities. Until next week, God bless. Mr Hilton

BIRTHDAY TREATS REMINDER

We no longer allow any treats to be sent into school to be distributed on children's birthdays.

We are proud of our Healthy School status and cannot progress to a higher Healthy Schools status award if we are allowing sugary treats to be handed out **inside** or **outside** the school.

Please do not send in treats to share.

Instead, the staff and class will make your child's birthday special in the school in other ways.

You must complete and return your emergency contact and collection sheet sent home this week as soon as possible for the safeguarding of your child/children.

Please remember the importance of looking on our web site for information on meal menus, term time dates and up to date copies of letters sent out. Check your emails & text messages regularly and also read the newsletter sent out each week. By keeping our communications going, we can help prevent you and your child missing out on information and events. Thank you. Your child's class curriculum letters on our website are a great way to see what they are learning this half term in class.
