Headteacher: Mr Peter Hilton NPQEL, NPQH, MAEd

Dear Parents and carers,

That's been a very busy but extremely exciting time in school. We have had so many educational visits into London and further afield. The children have really enjoyed those and been able to take part in so many outstanding workshops.

We also had many of our children be published in books, over 25 children in KS2 recently had their writing included in a book that has gone out Nationally, this is superb!

The school has been included in masses and ceremonies at the Cathedral where we were chosen to sing as part of the choir.

St. Anne's is regaining its name amongst the Diocese and Local Authority for a school that provides an exceptional education for its children.

I wanted to give a big shout out to the FOSA team for running so many events. These raised funds for things like the pantomimes and author visits. It also means we can subsidise the Bushey trip.

Another shout out to the wonderful school runners who completed their Santa run and helped raise money for the school football team kit.

You'll also find below a message from our Chair of Governors, Mr Knowles.

I hope you all have a restful, peaceful Christmas and that the New Year brings you even more of God's blessings on your families.

Mr Hilton
Headteacher

Dear parents, carers, families and staff,

Wishing you and your families a joyful Christmas and peaceful break, on behalf of all the school governors at St Anne's.

It has been another busy yet fruitful year across the school, not least in the recent weeks building up to the end of term. Hopefully for the children and parents/carers alike the next two weeks will allow for a mix of fun and laughter and hopefully some rest where possible!

To all the staff, many thanks as always for everything you do in so many ways for the school community. Please do take the time to reflect positively on your various achievements, efforts and contributions. Not everything is always seen by everyone but please know it is certainly very much appreciated!

May the New Year bring you and your families more happiness, success, and God's blessings for 2025.

*Chris Knowles
Chair of Governors*
