Headteacher: Mr Peter Hilton NPQEL, NPQH, MAEd

Wednesday, 6th September 2023

Dear parents and carers,

I am writing to introduce myself, my name is Peter Hilton, the new Headteacher of St. Anne's Catholic Primary School. I am deeply honoured and proud to be in this position and will work extremely hard in partnership with the whole school community to make St. Anne's the 'must go to' school in the area. It was lovely to meet some of you this morning on the school gate as we welcomed the children back to school. I will, whenever possible be there on the gate, both mornings and afternoons so do please come and say hello and if you have any questions I will of course be there to hopefully answer them for you.

In the summer term, I did visit St. Anne's for a couple of days and meet with our wonderful staff team for a handover. It certainly helped me to reorientate myself with the school layout and resources.

A little about me;

- As a practising Catholic my vision and values certainly align with St. Anne's.
- I have been a headteacher at my current school for over 4 years, prior to that I was a Deputy headteacher in Newham. I have my NPQH and NPQEL.
- I am passionate about education and have taught each year group from nursery to year 6.
- I have led on school improvement across London Boroughs.
- I have given educational talks, most recently at the Festival of Education on Diversity and Inclusion.

I am looking forward to St. Anne's having a bright future and providing the children with a challenging, creative and fun curriculum. One which provides them the opportunity to develop and prepare for life.

I would like to invite you all to a coffee morning on Tuesday 19th September at 9am. I will share more information around our school development work and plans for the future. I will be available to answer any questions or queries you may have.

In the meantime, I hope you all have a good week and I hope to meet more of you soon.

Mr Peter Hilton
