Headteacher: Mr Peter Hilton NPQEL, NPQH, MAEd

Dear parents/carers,

5th September 2023

You may be aware from media coverage that the government has asked some schools to close or partially close due to the presence of reinforced autoclaved aerated concrete (RAAC) in their school buildings. We understand that this is an unsettling news story and that it may naturally have led you to wonder about the safety of our school building.

We believe our school building does not contain RAAC and is fully safe to open at present. Lambeth Council and the Southwark Diocese are continuing to work with local schools to assess the scale of the issue in our borough and ensure necessary steps are taken to ensure pupil safety. We are awaiting a full inspection and of course will let you know as soon as this has taken place with any outcomes/actions needed.

I hope that this provides reassurance, and we look forward to welcoming your child/ren to our safe and secure learning environment on Wednesday 6th September.

If you have any questions, please contact Marie Dunbar at the school office or please speak to me on the gate.

Kind regards,

Peter Hilton

Headteacher.
