Headteacher's Weekly Message

Dear parents and carers, we have had a lovely week at school. The children had a special visitor in school, Mr Leonard who spoke all about the Judaism religion. They learned all about the special festivals, food and clothing. Next week Year 3 will be visiting the synagogue on an educational visit. Year 6 next Wednesday will also be visiting the Science Museum. Year 1 saw a the wonderful 'travelling crib' at Lambeth Palace this week. It is very important as a school that we support the children's learning with these educational visits and let them experience so many different opportunities that are available in our local area. We have Author Benji Alexander visiting on Tuesday for workshops in KS2. We are still looking for some help with our school memorial garden, if you like gardening do get in touch at the office please. Have a great weekend. Mr Hilton

He will come again

"No one knows, however, when that day or hour will come, neither the angels in heaven, nor the Son; only the Father knows."

We can try to be ready by doing all that Jesus asks of us. By loving God and one another and by helping other people. By living in peace with each other and by sharing what we have so that all people have enough.

Anti-Bullying Week

During the week the children took part in class workshops reinforcing our Bullying Policy and on how we should respect individuality, uniqueness, and acceptance. As a reminder to all the children and staff wore odd socks on Tuesday to celebrate other people's differences. This was all organised by Mrs. Fitzgerald, thank you.

Other Faiths Week

The children enjoyed learning about the Judaism this week and how they celebrate their religion. We had a visit from a speaker from the United Synagogues who brought artifacts and talked about the Judaism way of life. Some of the children will be visiting a Synagogue in North London next week. Thank you, Miss Denys, for organising such an eventful week.

The photographer came in on Tuesday to photograph individual photos/siblings of the children and she commented on how well behaved they were. The proofs should be completed next week. We will notify you when you can go online using your QR Code sent home you're your child (keep it safe) to look and book.
